AND SEWAGE SERVICES.	)	OF TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Petition to Intervene Out of Time filed on behalf of Seabrook Island Property Owners Association (POA).

The Petition alleges that it is directly affected by the application of Heater of Seabrook, Inc. in this docket. Petitioner protests the instant application and requests leave to participate in all proceedings before the Commission in respect to this docket. Further, the Petition alleges that it is filed out of time due to the extended absence of the executive officer of the POA.

The Commission has considered the Petition to Intervene Out of Time filed by the POA in the instant docket and finds that it has given good cause as to why the Petition to Intervene Out of Time should be granted. The Commission, therefore, grants the Petition
